Riders' insurance

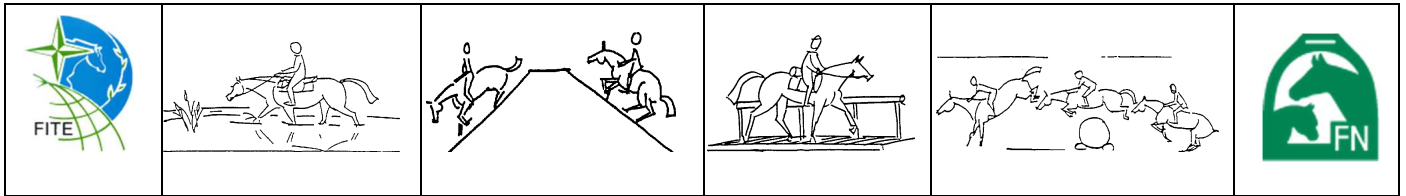

Every competitor is responsible for any damage caused by himself or his horse, to himself, other people, or any property.

Every competitor has to have sufficient liability insurance. It must be valid for competitions in foreign countries.

Horse passport

Any horse competing in national competitions or competitions in other countries must have a valid official FEI passport or a national passport to identify the horse and document ownership. All horses must be registered and identified.

Equine Influenza Vaccination

Even if a vaccination against equine influenza is not compulsory in the horse's country of origin, every horse must have a valid vaccination document.

According to the FEI veterinary regulations, Chapter II, Art.1002. The FEI requires all horses in FEI competitions to have sufficient vaccination protection against equine influenza. This involves regular revaccinations every 6 months (+ 21 days) after a basic vaccination, as from January 2005. None of the vaccinations may be administered within 7 days prior to arrival at the competition location.

Medication rules: The valid rules and regulations of the FN will be applied.
